

# PUBLIC HEALTH: DOCTOR OF PHILOSOPHY (PHD) PROGRAMS

---

We offer advanced research and training opportunities to future public health scientists through our Doctor of Philosophy (PhD) program, offered at our CU Anschutz Medical Campus location.

If accepted into our PhD program, you may receive tuition assistance and a stipend, depending on your concentration and availability of funds. While you're in the program, you'll work directly with a faculty research mentor to develop a greater understanding of the research process and methods that will allow you to find the answers to your public health questions. Our students also have the administrative support of the University of Colorado Denver Graduate School staff to navigate the curriculum and requirements. When you graduate, you'll be ready for the next step in your career as an independent scientist.

## List of all PhD Programs

- Biostatistics (PhD) (<http://catalog.ucdenver.edu/cu-anschutz/schools-colleges-programs/colorado-school-public-health/doctor-philosophy-phd/biostatistics-phd/>)
- Climate and Human Health (PhD) (<http://catalog.ucdenver.edu/cu-anschutz/schools-colleges-programs/colorado-school-public-health/doctor-philosophy-phd/climate-human-health-phd/>)
- Epidemiology (PhD) (<http://catalog.ucdenver.edu/cu-anschutz/schools-colleges-programs/colorado-school-public-health/doctor-philosophy-phd/epidemiology-phd/>)
- Health Services Research (PhD) (<http://catalog.ucdenver.edu/cu-anschutz/schools-colleges-programs/colorado-school-public-health/doctor-philosophy-phd/health-services-research-phd/>)
