

# GRADUATE MEDICAL EDUCATION (GME) PROGRAM

## Overview

The Graduate Medical Education (GME) Office is under the leadership & direction of Carol M. Rumack, M.D. FACR, Associate Dean for GME at the University of Colorado School of Medicine (CUSOM), Distinguished Professor of Radiology and Pediatrics, & Designated Institutional Official (DIO) for the Accreditation Council for Graduate Medical Education (ACGME).

The GME Office is responsible for the oversight of the ACGME accreditation & educational environment, and payroll & benefits for CUSOM GME Residency & Fellowship training programs.

**Mission:** CUSOM GME provides leadership, education, and support to its Residencies & Fellowships to ensure that the Residents/Fellows continue the standards of excellence in patient care, teaching, & research that have been established by CUSOM GME training programs.

**Vision:** CUSOM GME will achieve the highest level of ACGME accreditation for the CUSOM institution, and Residency & Fellowship training programs.

### Values:

- Accountability & Transparency
- Equity & Fairness
- Diversity & Inclusion
- Excellence & Innovation
- Stewardship & Service
- Leadership & Collaboration
- Protecting & Promoting Resident/Fellows Wellbeing

The GME Office implements policies of the Graduate Medical Education Committee (GMEC) of the School of Medicine. The ACGME charges the GMEC with responsibility for monitoring & advising on all aspects of Residency education including compliance with ACGME work hours, patient safety & quality improvement requirements, and in maintaining a strong learning environment.

The GMEC is composed of Program Directors, GME Faculty Liaisons from the affiliated teaching hospitals & Officers of the Housestaff Association. GMEC reports to the Dean of the School of Medicine through the Associate Dean for GME & Senior Associate Dean for Education. The GME website is: <https://medschool.cuanschutz.edu/graduate-medical-education/> (<https://medschool.cuanschutz.edu/graduate-medical-education/>).

## Application Process

- To apply for a CUSOM GME Residency or Fellowship, applicants must meet the minimum selection criteria described in the GME Eligibility and Selection Policy, located here ([https://medschool.cuanschutz.edu/docs/librariesprovider101/gme-document-librar/gme-policies-procedures/eligibilityandselection.pdf?sfvrsn=341d4cb9\\_4](https://medschool.cuanschutz.edu/docs/librariesprovider101/gme-document-librar/gme-policies-procedures/eligibilityandselection.pdf?sfvrsn=341d4cb9_4)).
- Recruitment is coordinated by each training program. Inquiries & details about the process should be directed to the specific residency or fellowship. For the list of CUSOM GME Residencies

and Fellowships, refer to the GME Program Directory (<https://medschool.cuanschutz.edu/graduate-medical-education/programs/>).

- Many CUSOM GME Residencies & Fellowships participate in the National Residency Matching Program (<http://www.nrmp.org/>), Electronic Residency Application System (<http://www.aamc.org/students/eras/start.htm>) and/or the San Francisco Central Application System (<https://www.sfmarch.org/>).
- All residents in GMEC approved programs are required to successfully complete the USMLE Step 1 or COMLEX Step 1 examinations, and USMLE Step 2 (CK) or COMLEX Level 2 (CE and PE) examinations, as evidenced by obtaining a passing grade for that examination, prior to starting a residency. Original transcripts must be provided 6 weeks prior to the incoming Resident's start date.
- All residents in GMEC approved programs are required to successfully complete the USMLE Step 3 examination or COMLEX Level 3 examination, as evidenced by obtaining a passing grade for that examination, prior to the mid-point of the second post-graduate year (PGY2).
- All fellows entering GMEC approved programs must have successfully completed the USMLE Step 3 examination or COMLEX Level 3 examination or the Canadian LMCC examination, as evidenced by obtaining a passing grade for that examination prior to starting a fellowship.
- **International Medical Graduates**, must meet the following criteria:
  - Have a valid **ECFMG Certificate**.
  - Residents in our program must be a U. S. citizen, lawful permanent resident, refugee, asylee, or possess the appropriate documentation to allow residents to legally train at the University of Colorado Denver School of Medicine.
  - Minimum **selection criteria**.
  - Any other criteria as determined by the program.
