

# CANNABIS SCIENCE AND MEDICINE (CERTIFICATE)

---

The University of Colorado Skaggs School of Pharmacy and Pharmaceutical Sciences is a leader in the scientific investigation, quality assurance, and clinical evaluation of plant-based medicines. Our Cannabis Science and Medicine Graduate Certificate extends that expertise with a 9-credit hour graduate certificate program. The certificate provides an in-depth understanding of the pharmacology and therapeutics of cannabis. Ideal candidates for this offering include healthcare professionals who want to optimize overall clinical outcomes and scientists who want to enhance their knowledge of cannabis chemistry, analysis, and actions.
