## Introduction

The College of Architecture and Planning offers a graduate certificate in design build as an extension of the MArch program. The certificate course work totals 18 credit hours and emphasizes design build from the designer's point of view.

## Certificate Requirements

Five courses totaling 18 semester hours can be applied to the MArch graduation requirements.

Code	Title	Hours
ARCH 6370	Introduction To Design Build	3
ARCH 6471	Managing Quality & Risks	3
ARCH 6472	Architecture in a Single Source Project Delivery	3
ARCH 6373	Construction in Design Build	3
ARCH 5140	Design Studio IV	6
<b>Total Hours</b>		<b>18</b>

A minimum of a 3.0 GPA in the above course work is required to earn the Design Build Certificate, and no grade below a B- will count toward the certificate.
