## Introduction

Please click here (<http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/school-public-affairs/>) to see School of Public Affairs information.

The Pathways Bachelor of Arts in Public Administration (BAPA)/Master of Public Policy (MPP) degree allows high-performing students to earn both degrees in an accelerated time frame, saving students both time and money. Students graduating with the Pathways BAPA/MPP degree receive a solid grounding in the context and management of public service organizations and the knowledge and skills needed to design, advocate for, and analyze public policies relevant to those organizations and the larger democratic society. Both the BAPA and the MPP degrees are offered fully online, providing students with the flexibility to schedule courses around the reality of family and work demands while also engaging both local and fully online students in public service opportunities in their own communities.

The BAPA/MPP degree program offered by the School of Public Affairs allows high-performing students to count 12 credit hours towards both the BAPA and the MPP degrees. Eligible students are those who have completed at least 75 credits with a minimum 3.5 GPA in the BAPA major and a 3.0 overall GPA, completed the undergraduate Core Curriculum, and who meet the other requirements listed below.

Students are eligible to receive the BAPA degree once they have successfully completed 120 semester hours and all CU Denver undergraduate degree requirements. The MPP will be conferred once the student has completed all requirements of the MPP degree.

Students will continue to take undergraduate coursework while also completing graduate-level coursework.

Students in the Pathways BAPA/MPP program may be eligible to complete the MPP-level internship only after successfully passing two MPP-level courses. The MPP-level internship may fulfill both the BAPA and MPP internship requirement. The BAPA-level internship will not fulfill the MPP-level internship.
