

ENTREPRENEURSHIP CERTIFICATE

Introduction

Please click here (<http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/business-school/>) to see Business School information.

The Business Schools undergraduate certificates are primarily intended for students currently pursuing a degree in any undergraduate discipline that want to expand their business knowledge to give themselves a leg up when they enter the workforce. However, they can also be taken by students with only a high school diploma.

Students can pursue one of our undergraduate certificates, even if they are not CU Denver students. Credit earned as a part of the certificate **can potentially** count towards your undergraduate degree, should you choose to pursue a degree here. Check in with the academic advising team to confirm based on what major you plan to pursue.

The Jake Jabs Center for Entrepreneurship is offering an affordable program in one of the fastest growing business segments in the country - Innovation and Entrepreneurship.
