DIGITAL DESIGN MINOR

Introduction

Please click here (http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/college-arts-media/visual-arts/) to see general Visual Arts information.

The digital design minor integrates creative thinking with experience using digital applications in the production of graphic design and motion graphics. Configured as an interdisciplinary arts and design laboratory, this minor offers a practical understanding of how digital technology can be applied to help solve human, social and business problems.

Program Delivery

- This is an on-campus program

Declaring This Minor

- Students who are declaring a Digital Design minor must complete two introductory Digital Design courses with a grade of C or better, as descried below. Students who meet the requirements will be eligible to register for certain upper-division studio Digital Design courses.

Eligibility

The student has completed, or is in the process of completing, the following courses with a grade of C (2.0) or better in each:
