Introduction

The secondary licensure program is a partnership program between the College of Liberal Arts and Sciences (CLAS) and the School of Education & Human Development (SEHD). Secondary Education Licensure students choose a major within CLAS and complete all CORE, CLAS, major, and initial teacher education admission requirements before completing a final professional year of licensure coursework through the SEHD.

These degree requirements are subject to periodic revision by the academic department, and the College of Liberal Arts and Sciences reserves the right to make exceptions and substitutions as judged necessary in individual cases. Therefore, the College strongly urges students to consult regularly with their major advisor, CLAS advisor and SEHD advisor to confirm the best plans of study before finalizing them.
